

SOURCING DIFFERENTIATION

Key sourcing nodes

1

Founders

First referral for
founders in Hyperion
ecosystem

2

Harvard Undergrad

Youngest Harvard-led GP in
all of venture, with the most
privileged access to upstart
Harvard founders

3

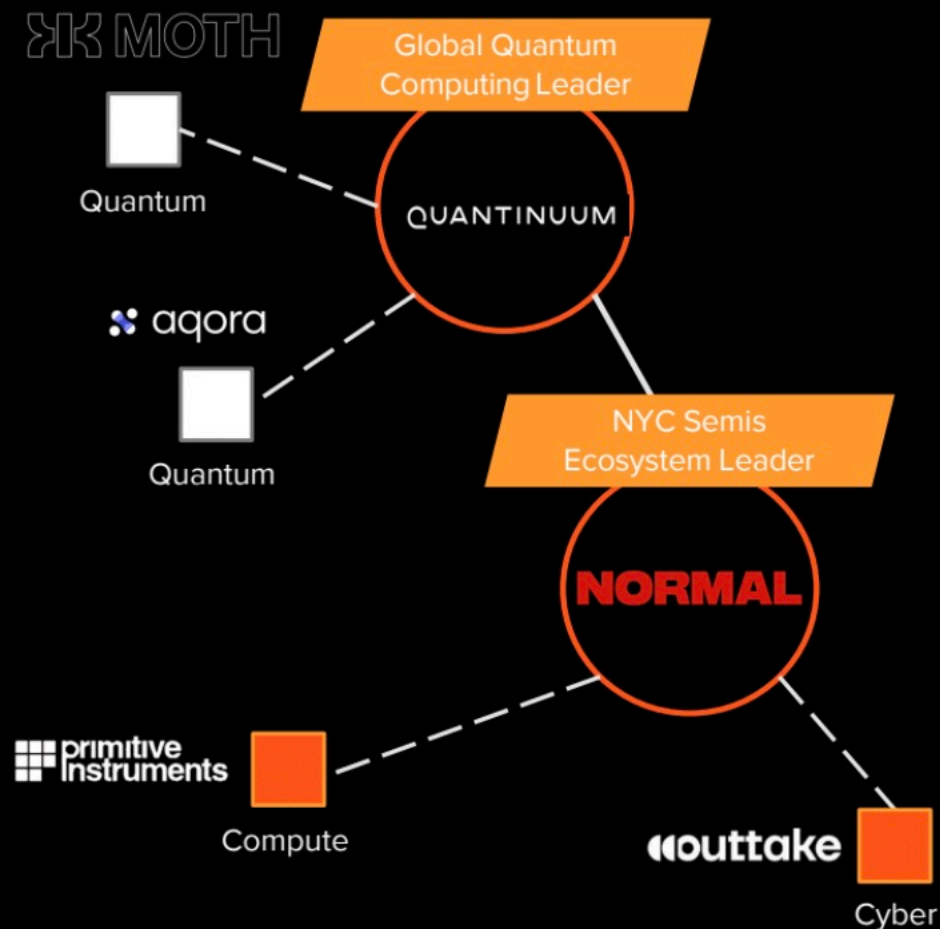

VCs

Top deeptech resource for
multi-stage VCs & key
collaborator for early-stage
deeptech VCs

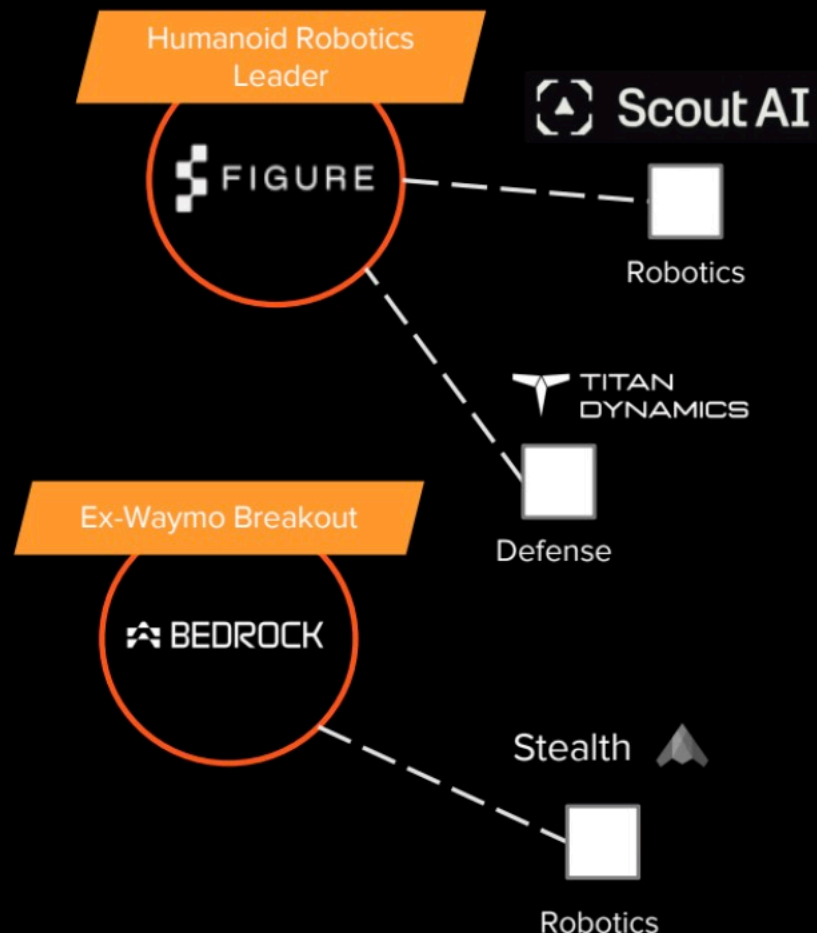

Founders

50+ passive deeptech founder referrals per year while Dillon was at Vista.
With active check-ins and Hyperion network expansion, has potential to ramp to 300+ per year.

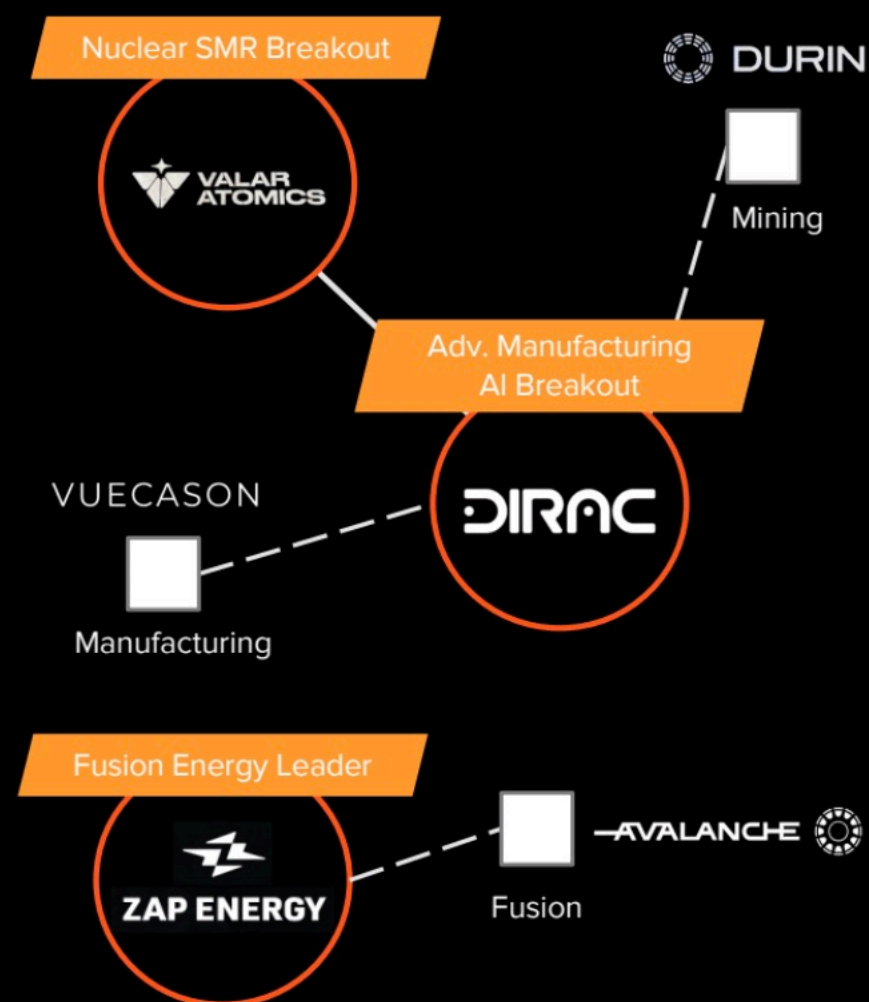

Advanced Computing

Robotics

Energy & Industrials

Harvard Undergrad

As the youngest Harvard GP-led fund, Hyperion sits closest to the pulse of every new company emerging from one of the world's most prolific founder ecosystems.
